# **UPS Electronic Return Label: View/Print Label**

- 1 Ensure that there are no other tracking labels attached to your shipment.
- 2 Customs Invoice 3 copies of a completed customs invoice are required for shipments with a commercial value being shipped to/from non-EU countries. Please insure the customs invoice contains address information, product detail - including value, shipment date and your signature.

## **3 GETTING YOUR SHIPMENT TO UPS**

- o Daily Pick up customers may add return package(s) to their outbound shipments by having them ready for the driver as usual.
- Take this parcel to any location of The UPS Store®, UPS Access Point™, UPS Drop Box, UPS Customer Center, UPS Alliance partners (Office Depot® or Staples®) or an Authorized Shipping Outlet near you. Return items sent via UPS Returns® services (including via UPS Ground) are accepted at all UPS Drop Box locations. To find the closest drop box location, visit UPS Global
- 4 Fold the printed label at the dotted line. Place the label in a UPS Shipping Pouch. If you do not have a pouch, affix the folded label using clear plastic shipping tape over the entire label. Take care not to cover any seams or closures.
- 5 To acknowledge your acceptance of the original language of the agreement with UPS as stated on the confirm payment page, and to authorize UPS to act as forwarding agent for export control and custom purposes, sign and date here:

# **Documentation Instructions**

Thank you for choosing UPS. Please review the following instructions regarding the documentation that must accompany your shipment.

#### **Provide the Correct Documentation**

- · Government regulations require documents that provide specific information about your international shipment.
- Documentation regulations and requirements for individual commodities vary from country to country. It is essential to review the commodity-specific documentation necessary for both the country of origin and the country of destination. Depending on the commodity and its use, the accompanying documentation.
- The shipper also referred to as exporter of record, is responsible for providing complete and accurate information for export manifesting and customs clearance in the destination country. It may be necessary to contact the company or person who arranged for the shipment of goods in order to verify the information and forms that must be submitted with the shipment.
- High declared value shipments must be accompanied by UPS documentation that lists the package and instructions for preparation. Please follow these instructions and present the completed documentation to a UPS driver or UPS customer service representative.

### **Providing a Complete Invoice**

- The invoice information is used for customs clearance and the assessment of any applicable duties or taxes charged by the destination country.
- Be sure to include the original invoice and two copies of the invoice with the shipment for proper processing.
- · Review your documents and verify the accuracy of all fields.

## To ensure your shipment is processed properly, you must sign the invoice.

## **International Shipping Assistance**

- · Visit ups.com:
  - o to download a commercial invoice or other international forms
  - o to find a drop-off location near you
  - o to arrange a pickup
  - o for additional information on how to contact UPS
- For assistance from the company you are shipping to, contact them directly.

Note: Not all services may be available in your area.
